

Mather Hospital

Mather Hospital is an accredited 248-bed, non-profit community teaching hospital that has been providing a wide spectrum of high quality healthcare services to communities in the Town of Brookhaven and Suffolk County since 1929.

Achievements

- Twice earned Magnet® recognition from the American Nurses Credentialing Center (ANCC) for quality patient care, nursing excellence and innovations in professional nursing practice. Fewer than 500 hospitals worldwide have earned this distinction.
- Ranks four stars for patient experience (HCAHPS) as reported by the Centers for Medicare & Medicaid Services (CMS), the highest of rating earned by any hospital on Long Island.
- Received its 13th top "A" rating for patient safety from The Leapfrog Group, a national organization focused on improving American healthcare. No other hospital in New York State has received more top grades.
- Received the American Heart Association/American Stroke Association's Get With The Guidelines®- Stroke Gold Plus Quality Achievement Award with Target: StrokeSM Honor Roll Elite.
- First Robotic Center of Excellence™ in New York State.
- First Graduate Nurse Transition to Practice accredited nursing residency program in New York State by the ANCC.
- The Fortunato Breast Health Center is designated by the National Accreditation Program for Breast Centers (2018-2020)
- American College of Radiology Designated Lung Cancer Screening Center.
- Received Commission on Cancer Accreditation from the American College of Surgeons - Three Year Accreditation (2017-2020).
