JTM HEALTH FACILITIES FOUNDATION
For the support of Mather Hospital

Message from
Louis J. Bove
Chairman, Golf Committee

The Mather Golf Classic has raised more than \$2.4 million in the last 12 years for the exceptional nursing programs at Mather Hospital.

At Mather, we strive to ensure that patients receive the high quality, cost-effective services they deserve and that the health of our community continues to improve.

Mather’s nurses engage in ongoing education and training in clinical practice areas that increase their skill levels and provide our patients with the best care possible. We are among 3% of acute care hospitals worldwide to have earned the prestigious Magnet® designation three times, which recognizes healthcare organizations for quality patient care, nursing excellence and innovations in professional nursing practice.

Mather Hospital was the first New York State hospital to establish a certified nursing residency program. In addition, Mather was named one of the Top 250 hospitals in the nation in 2023 by Healthgrades.
Together we can make a difference!
