

**OUR LEGACY.
OUR COMMUNITY.**

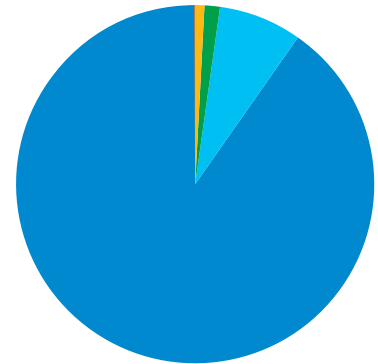

In 2021, Mather Hospital set a course to raise \$17.5 million toward an expansion of its essential facilities. Within two years, we achieved and surpassed this goal by \$1 million. This remarkable success is reflective of the deep and longstanding connection our community has with our hospital – a symbiotic relationship, established 94 years ago, that embodies the idiom “it is in giving that we receive.”

**Total Dollars Committed:
\$18,669,494**

- Grants \$6,750,000
- Foundations \$1,677,900
- Organizations \$1,718,208
- Corporations \$277,665
- Individuals \$8,245,721

**Total Donors:
726**

- Grants: 1
- Foundations: 6
- Organizations: 11
- Corporations: 54
- Individuals: 654

The campaign for Mather Hospital, **“Our Legacy. Our Community.”** focuses on upgrading the infrastructure of the hospital campus to deliver the very best care to the people we serve. With our sights set firmly on the future of healing, teaching, and innovation, we initiated “Phase One.” More extensive and exciting than we had imagined, we invite you to celebrate our shared accomplishments in the pages ahead.
